## Message from the Chaplain — Ian Lutze

### *April Changes Start Now*

April seems to be a necessarily hopeful month, lived against the backdrop of challenges. It is the month after which most of the public holidays will have been done for another year, with only Anzac Day on the horizon. It is as if in April the balloons are put away, the streamers binned, and the year gets serious from here on. Questions may arise like: Will the rains come? Will the Winter be too cold? Will the news improve? Will my life challenges get a little easier? Or am I set for a year of progressively more difficult challenges? Will I be able to hold on to joy? Will my footy team win?

The challenges of life that April opens the door to is set against the background of the greatest victory of all time: the news that the Man Jesus rose from the dead at Easter (usually in April) to be a source of life, promise and victory for all of us. This news gives meaning to the phrase "In the midst of life we are in death". Or rather, "In the midst of death we live – truly."

May you experience, even in the vaguest of senses if it is difficult, the God of Life carrying you through the challenges of April, that you may prevail and know a sense of victory through the presence of the Risen One.

The Home is a Christian Community where, in a family environment, Residents and Staff provide mutual care.

## Lee Martin

Happy Easter everyone. I do hope you have enjoyed the celebrations and the break from work.

Where has the year gone – time is passing so quickly. There is so much happening around our service and facility. It's with pleasure that I inform you all as of the 1<sup>st</sup> April 2024 we are now trading as "Lutheran Homes Barossa". This name change is to signify that we are conducting business in other parts of the Barossa Valley – Nuriootpa and Angaston. Over the coming weeks you will notice changes to how we advertise our services.

It is nice to be able to report that we have yet again survived another COVID outbreak. Thank you to everyone who did extra to cover the shifts and for the patience shown by all residents and their families during these difficult times. We are now heading towards winter and the flu season; please ensure you line up again for the annual flu injection.

Over the past number of weeks, there has been ongoing negotiation with the South Australian Housing Authority in regard to the sale of the Luther Court area. On the 15<sup>th</sup> March 2024, the sale was finally settled. All residents were relocated within accommodation available on the 27 Bridge Street site. The Retirement Living office has also moved to a vacant unit on site, 3/31 Bridge Street. The old units of Luther Court will now be totally managed by the SA Housing Trust, providing suitable accommodation for those who meet the Housing Trust requirements.

We are nearing the completion of negotiations with the supplier of a new nurse call system. The system will allow the staff to all carry a handheld device and the software will ensure that as an organisation we meet the requirements of the new standards and accreditation. I will ensure you are all kept informed as further developments occur.

As I keep reporting, the current projects are making good progress. The Nuriootpa Retirement Village – stage three is well underway with many houses now under construction. The planning for the Angaston Retirement Village is awaiting final sign off by the local council. The TRL community centre and refurbished Barossa Club area are nearing completion. The Barossa Club will move into its new facilities throughout April 2024. Work on the car park and solar project continues.

## HOME UPDATES:

The Podiatrist is now visiting each Friday to see residents in their rooms. Please request if you need urgent attention, otherwise all residents are currently scheduled according to their needs.

The Speech Pathologist is expected to be on site on Tuesday 9th April to see residents with any swallowing or chewing difficulties identified by Clinical staff. Residents can also ask to be referred if they have identified an issue themselves – speak to Clinical staff to be referred.

Bloom Hearing are happy to take on any new residents who may require an on-site visit to check their hearing. See Lisa Morrison (Clinical Nurse Consultant) for a consent form. Individual appointments are made with each client/resident by Bloom Hearing and advised to TLH to ensure the resident is reminded on the day.

## **Robot Update**

The robot project continues. It was very pleasing to receive acknowledgement from the Aged Care Industry Information Technology Council. We were awarded as the winner of the Excellence in Technology Implementation 2024. A new trophy is located in the cabinet in the reception waiting area.

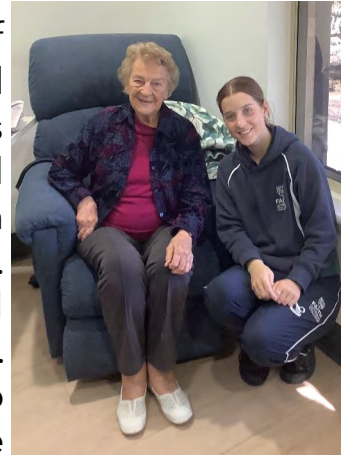

It's good to see "Penny" doing deliveries. The cleaning robots are doing well in keeping our corridors clean. You may have noticed that "Robbie" has been replaced due to a technical fault, he'll be back soon. The "Abbi" robot will be delivered late April 2024 for further trials.

# RESIDENTS IN FOCUS

## **Eileen Ingham (Protea)**

Eileen is originally from Tanunda but spent the majority of her life in Renmark. Eileen loves to visit the Riverland still and reminisce on her childhood. One of Eileen's first jobs was working at a café and working in the packing shed packing fruit and veggies, she used to ride to and from there after school. Eileen has 4 kids, 2 girls and 2 boys. Some of Eileen's favourite things are visiting the gym, and doing the activities that are happening around the home. She also loves to go to church on Sundays as she used to teach in Sunday school. Eileen went to school when she was 5 and left when she was 14, Eileen then became a nurse later in life. Eileen's advice for a high school student: "There is so much learning opportunity so try everything and give it all a go, try your hardest to get a good education. Stay out of trouble and keep away from awful things. Bluff your way through life, take charge and do things while you're married still don't sit around and do nothing!"

## **Daphne Gower (Protea)**

Daphne Gower celebrated her 92nd birthday on the 23rd of March. Daphne loves the beach and visiting Queensland where her family spent the winter months together, spending the day fishing. Daphne enjoys the river, having grown up there with her parents. She completed primary school, and then left at the age of 14 to start her job of cutting apricots and other fruits for a nearby farm. Daphne grew up very active, constantly fishing, swimming, playing tennis and watching the local football. Daphne has four Children, three daughters and one son. She also has many grandchildren, and great grandchildren who she loves spending quality time with. She enjoys listening to country music, cooking, baking, knitting, and sewing. Some of her favourite activities to do in the home include walking around the garden with her friends, and socialising in the living area. She also enjoys joining the knitting group. If Daphne had one piece of advice for the younger generations, it would be "don't take drugs, don't start smoking, and look after yourself."

Interviews were proudly conducted by Faith Lutheran Students Mia Parkinson and Olivia Dickson.
